

Central Indiana Amateur Radio Association (CIARA)

CIARA Meeting Notes 10/03/2020

- The meeting was called to order by Wayne Polakoff, KD9BUX at 10:08 AM. The meeting was held at the Morris Beach Park.
- The Treasures report was given by Paul Deibold, KA9SDQ. There is \$1601.56 in our account currently. Paul presented the budget suggestion for next year which includes a substantial increase in dues. We were over budget \$240 for some unexpected copying expenses. Field Day expenses for last year was about \$300. The increased cost was due to renting an ADA-accessible porta potty. The website expenses could run from \$15 to \$40 per month. For these reasons, the club must increase the dues. The status of those who paid their dues could be sent out each year. The increase would return about \$432 per year. The club approved the following dues increase. As shown below. The Club approved the budget for next year.

Budget 2019:
