- The Treasures report was given by Paul Deihold, KA9SDQ. There is currently \$ 1805.56 in the checking account. We received \$40 in dues. We will be earmarking \$68 for the Ham Aid fund.
- Ron Sans, WA4EZF, read the minutes from the last meeting.
- We had many new folks that passed the last VE Exam.
- The Sam Costa Marathon will be run sometime in August or September.
- Mike Alley W9MSK, will be handing the Carmel Marathon. Mike will have a meeting on Monday at noon to find out what is going on with the marathon. The link to the Marathon is <https://www.carmelmarathon.com/event-information>.
- The April RACES meeting will be April 10<sup>th</sup>. This is due to the Carmel Marathon conflict.
- The April VE exam will be April 17<sup>th</sup>.
- The new Yaesu Fusion repeater on 443.950 MHz has been getting very good reports. Indiana Indy is the current default room this repeater.
- The WIRES-X function has been fixed on the Yaesu Fusion repeater. The wrong coax was plugged in after a storm that caused the issue. There is still an issue with opening ports on the County network to get the WIRES-X running on County equipment.
