

HCARES MEETING NOTES – 3/7/98

- Matt Heinz, KD6KCK, opened the meeting at 1:10 PM.
- The next meeting will be a Foxhunt after the business meeting.
- The May meeting will have a session on making a fold-up J-Pole antenna for emergencies to carry around in your car.
- Bob Hendricks talked about the new weather Radios. These are all programmable units.
- Dave Gingrich, K9DC, stated that his packet BBS has moved to the extra tower at the Sheriff's office. The repeater is at 147.555 MHz. It is a full router at 150 feet. Connect to K9DC at 1200 or 9600 baud.
- John Wasmuth, AA9KB, stated that VE testing will be next Saturday at the Fishers Police Department. Contact Steve Henke, W9SH (846-1201) for testing information.
- We had National Weather Service Severe Weather Training. One can call directly severe reports to the National Weather Service at 317-856-0359 to report severe weather
