- Eric Eilers (KG9OP) opened the meeting at 10:05 AM at the Short Wave Station.
- Field Day discussions – Frank Kienast, KG9NZ
 - Fishers' Site Request
 - The site we would have would be about 100' x 100' and several hundred feet from the PA system.
 - The club voted to use Morris Beach as this year's Field Day site.
 - A vote was passed to have a satellite station at Fishers during normal hours.
 - This was conditional on Fishers' not charging us.
 - Discussed putting ATV between the two sites.
 - Steve Henke, W9SH, will help organize the Fishers' satellite site.
 - The Fishers' planning will be appended to the current list for Morris Beach and Frank Kienast will coordinate this.
 - The class of the Station will be 2S – which is the same as last year.
 - We will start setting up on Saturday Morning at 8:00.
 - Food: Need to contact some food distributors to get some type of donations.
 - Eric Eilers volunteered to check into food donations.
 - The club voted on a budget of \$ 100 for food for Both sites. \$150 dollars was allocated for gas and other items.
 - We want to turn in our results to the ARRL.
 - We suggested calling Channel 19 to get news coverage. Also we will sent a news release to the Ledger and the Indianapolis Star. Suggested contacting Channel 40. Scott Zimmerman, N3XCC, volunteered to contact the over the air TV stations.
 - Discussed nailing down the use of the Red Cross Trailer.
 - The Police trailer is still being investigated. Bob Hendricks, N9XNO, will check on the Police Trailer.
