

HCARES MEETING NOTES 05/03/2003

- Russ Simpson, WA0JTL, opened the meeting at 10:04 AM at the Emergency Management Office in Noblesville.
- Phil Endres, N9FCC, discussed the Weather Net report issue from earlier this month.
- The tower Bill SB-109 was signed by the Governor allowing municipalities to support Amateur Radio operators with getting approval to install a tower. The height limit was removed.
- Arnal Cook, N9ACC, discussed the Field Day plans. We discussed running the operation from inside the EOC. Bob Hendricks will look into getting the Moose Beach Park area again this year. Bob will also try to get the Police trailer. Field day is the 28th and 29th of June.
- The IRCC Spring meeting was April 6th. Eric Eilers, K9ZX, and Russ Simpson, WA0JTL, attended the meeting.
- We will be running the Bison Stampede this year. The Wabash Valley Club has volunteered to take it in 2004.
- The June meeting data has been moved up to the last Saturday in May. This is due to the County wide Emergency Management drill on June 7th. The meeting will be at the EMA office. This will be the last meeting for the club for the summer.
- Bill Akin, N9YDO, suggested that fund the electric bill for the club repeater. This was not a formal motion, and will be discussed later.
- The meeting was adjourned at 10:30 AM.
- Steve Henke, W9SH, gave a presentation on Digital Communications.
