

HCARES Meeting Notes 04/01/2006

1. The meeting was held at the Cicero Fire Station in Cicero and started at 10:06 AM by Russ Simpson, WA0JTL.
2. The Sam Costa Run event folks were very appreciated of our help. It was suggested that next year we assign a tail car and if the race committee assigns one, we can then drop it. We discussed using the 800 MHz radio's to listen to the police. We could not get the talk groups.
3. We discussed the interaction between the VHF and UHF repeaters and the link between them.
4. ARES Members are encouraged to get NIMS training. They should be aware that many counties required it including Hamilton.
5. Eric Eilers stated that we have \$ 125 for Field Day. The Club now has about \$1200 in the bank.
6. Field Day issues were discussed. Field Day is June 24th and 25th.
7. The club and RACES carried out training on the EMA trailer's operations.
8. The meeting was adjourned at 12:00 PM.
