3. November 21st will be the Thanksgiving food handouts and on December 19th the food Christmas delivery. Help will be greatly needed.
4. The meeting in December (5th) will be at 11:00 AM at Cici's at 116th and Allisonville.
5. The antennas for the new tower have been specified. Paul Dobosz, K8PD, has generated a coverage map. He also generated tower interference plots for the antenna. It appears that coverage for the county for a handheld should be good.
