Announcements

HCEM Training and Volunteering

At the Comms Group meeting yesterday, we had an explanation of how to operate and deploy our Ham/Public Safety (HAMPS) Go Boxes, then we deployed teams to six Noblesville parks for a field exercise. Each team set up their go box, assessed conditions at the park, reported data back to EMA Ops, and made contact with other teams on simplex before returning to base.

Narcan Training

08/19/2024 (Mon.), 6:30 - 8:00 pm

Come learn how to identify the symptoms of opioid overdoses and how to administer Narcan to help prevent respiratory and cardiac failure. Training attendees will receive two doses of Narcan to keep in their emergency backpacks.

Public Safety Days

Volunteer slots for both Carmel and Fishers Public Safety Days are full, and Shred Day yesterday was also fully staffed. Thanks to all HCEM volunteers for your ongoing commitment to assisting our community.

Geist Half-Marathon

Become a Net Control Operator

One of the purposes of this net is to help others learn how to be a net control.

You don't have to feel self-conscious if you stumble!

We will help you.

If you are interested in learning how to run this net, please let us know. We need additional new net control operators. No experience is necessary, we will train you on the Thursday night net.

We can also assist with callsign logging for your first few nets. Gaining radio experience by running a net will give you more confidence using the radio during an emergency, allow you to assist at the EOC during Storm Ops and will make you a better radio communicator.

Email John, w9kd@aol.com, Matthew, kd9wfk@gmail.com, or Alex, ac9xk@pigletradio.org
or Mike, KD9BKU@Gmail.com.
