Net Items Discussed (or Included here from previous Nets)**More Club News / Updates****Recent Activities****Saturday's ARES Exercise:**

Thanks to the following ARES members that helped with Saturday's State wide ARES Simulated Emergency Test:

Paul KA9SDQ

Andrew N9QML

Tim KD6URS - Sherrie KD5YBP

John W9KD

Eric W9WLW

Our goal was to send a message from Marion county to the corners of the state in Lake, Steuben, Vanderburgh and Switzerland. I don't have the Statewide results, but these members did a great job copying the message and getting it sent out.

John W9KD and Andrew N9QML hit some counties that I wouldn't have thought were even possible using VHF. - **Thank You!**

Please Consider**Become a Net Control Operator**

One of the purposes of this net is to help others learn how to be a net control.

You don't have to feel self-conscious, because if you stumble, we'll be there to help!

If you are interested in learning how to run this net, please let us know. We need additional new net control operators. No experience is necessary, we will train you on the Thursday night net.

We can also assist with callsign logging for your first few nets. Gaining radio experience by running a net will give you more confidence using the radio during an emergency, allow you to assist at the EOC during Storm Ops and will make you a better radio communicator.
