Club News / Updates

ARES Updates

Club Member Updates:

Matthew KD9WFK and Dallas N9DAM are our 2 new ARES Assistant Emergency Coordinators going forward. With the addition of these guys as AEC's and all our members I think we have a great ARES team for Hamilton County. I would like to thank Nate KD9WZT for all his help this last year and yes, he is still a team member in ARES.

And, speaking of ARES,

Next ARES Simulated Emergency Test:

Tuesday December 3rd at 1930 hours.

This will be a Simplex test, and we would like everyone to attempt to check in from home. Details will be out soon.

Please Consider

Become a Net Control Operator

One of the purposes of this net is to help others learn how to be a net control.
 You don't have to feel self-conscious, because if you stumble, we'll be there to help!
 If you are interested in learning how to run this net, please let us know. We need additional new net control operators. No experience is necessary, we will train you on the Thursday night net.

We can also assist with callsign logging for your first few nets. Gaining radio experience by running a net will give you more confidence using the radio during an emergency, allow you to assist at the EOC during Storm Ops and will make you a better radio communicator.

Email John, w9kd@aol.com, Matthew, kd9wfk@gmail.com, Alex, ac9xk@pigletradio.org
