Become a Net Control Operator

One of the purposes of this net is to help others learn how to be a net control. You don't have to feel self-conscious, because if you stumble, we'll be there to help! If you are interested in learning how to run this net, please let us know. We need additional new net control operators. No experience is necessary, we will train you on the Thursday night net.

We can also assist with callsign logging for your first few nets. Gaining radio experience by running a net will give you more confidence using the radio during an emergency, allow you to assist at the EOC during Storm Ops and will make you a better radio communicator.

Email John, w9kd@aol.com, Matthew, kd9wfk@gmail.com, Alex, ac9xk@pigletradio.org

If you are interested in joining ARES - If anyone is interested in joining ARES Amateur Radio Emergency Service please contact me at KD9BKU@gmail.com
We had a lot of people joining in on the storm nets last week, joining ARES is a great way to learn how to communicate over ham radio during emergencies.
