Other Items of Interest**Nearby Area Activities**

From Matthew W9SOX, (Marion County ARES)

The 500 Festival Parade and the 500 Festival Mini Marathon are looking for a few more volunteers to fill out our rosters this year. Each event is iconic in its own right and are fun to be a part of. The parade is May 24th and the mini is May 3rd.

Also, coming up June 6 and 7 is the Morgan Monroe State Forest 100k, which is an overnight forest run and is asking for amateur radio communications for safety and runner tracking.

You can find sign up and further information about these at www.mcinares.org/publicservice

Welcome Net News:

If you are a new amateur or know a new amateur, The Welcome Net is a great place to get started using and learning about your radio. While these nets are intended to help new hams, all amateurs are welcome to participate. Welcome Nets are "conversational nets", where after initial check ins, a topic for discussion is posed by the net controller and then those that have checked in are encouraged to comment on the evening's topic.

As you may know, the Welcome Net on Indy's KB9SGN repeater has been linked via the W9WIN network to repeaters across central and southern Indiana. Unfortunately, the owner of the W9WIN net will soon be dismantling the net and delinking these repeaters. The Welcome Net will continue to be run as multiple local nets across the state. For our metro area, "The Welcome Net-Indy" on Wednesdays at 8 PM will be held on the W9ICE repeater on 146.97 (with a TX tone of 107.2 Hz, no RX tone and a -0.6 Mhz offset), beginning on Wednesday, April 16. This is also the repeater for Central Indiana Skywarn nets, so if a severe weather net is needed, the Welcome Net is cancelled for that night.

NOTE: The 146.97 W9ICE repeater has far better coverage in Hamilton County than the KB9SGN repeater. If you tried to get into the Welcome Net before and couldn't, give it another try on the new repeater!
