ARES Volunteer Opportunities

LaPorte Triathlon:

July 12 is the La Porte Triathlon, and they still have several empty locations for ARES support. We are supporting the race with "eyes-on-the-course." Start/finish, turns, intersections, Aid-stations, etc.

If you sign up as a volunteer with the race you will need to sign up for Road closure/athlete support. If you already signed up for parking that is fine also. Last year we received T-shirts for volunteering. If you do not want to officially volunteer with the race but still want to help, be at the Cummings lodge by 7:00 a.m. for the ARES briefing. Those working in parking will need to be there at 5:00 a.m.

To officially register go to: <https://runsignup.com/Race/IN/LaPorte/LaPorteTri> click on the MORE tab to register as a volunteer.

Let me know if you are going so I can fill in locations. registering as a volunteer does not notify me that you will be there. They have about 38 more positions to fill. Some people can transition from one position to another (i.e. parking to road closure).

Please Consider***Become a Net Control Operator***

One of the purposes of this net is to help others learn how to be a net control.

And, we DESPARATELY Want and Need new Net Control Operators!

You don't have to feel self-conscious, because if you stumble, we'll be there to help!

If you are interested in learning how to run this net, please let us know. We need additional new net control operators. No experience is necessary, we will train you on the Thursday night net.

We can also assist with callsign logging for your first few nets. Gaining radio experience by running a net will give you more confidence using the radio during an emergency, allow you to assist at the EOC during Storm Ops and will make you a better radio communicator.

Email John, w9kd@aol.com, Matthew, kd9wfk@gmail.com, Alex, ac9xk@pigletradio.org
