Announcements

Hamilton County EMA

Volunteers Wanted:

Hamilton County EMA is looking for additional volunteers to join the program. As part of the training, EMA is offering a free amateur radio technician class 10 week course starting in the fall. The course will end with the technician class exam. With this course, the pace is slower to enable a student to be able to actually learn the information required to pass the test rather than just not just doing memorization. At the start of the course, there will be an introduction to EMA so potential students will know what being an EMA volunteer is all about. This course will be open to anyone 18 years old and over.

If you know of anyone that might be interested please have them contact any of the below:

Joe, KJ9M, joe.march@hamiltoncounty.in.gov

Alex, AC9XK, alex.auvinen@hamiltoncounty.in.gov

Volunteers Needed:

We are being asked to provide a wide array of communication and logistical support activities. These activities include supplementing and augmenting military and state police, spectator assistance, vendor assistance and other logistical support.

All you need is an amateur radio license, a handheld 2m/70cm radio, and the willingness to support our military, their families and the community. We need volunteers from all of Indiana to help support this event.

Please send an email to Brian.Sexton89@gmail.com if you are able to volunteer.

Also, if you volunteer and you are a member of Hamilton County ARES, let Mike (KD9BKU) know that you have done so. (KD9BKU@Gmail.com)

The more volunteers we have the greater the event will be for everyone.
