We will have hamburgers cooking on the grill starting around 11AM.

We will be monitoring the Noblesville repeater if you need any help finding us, we are only there Saturday.

Net Items Discussed (or Included here from previous Nets)**Announcements****Hamilton County EMA****Volunteers Wanted:**

Hamilton County EMA is looking for additional volunteers to join the program. As part of the training, EMA is offering a free amateur radio technician class 10 week course starting in the fall. The course will end with the technician class exam. With this course, the pace is slower to enable a student to be able to actually learn the information required to pass the test rather than just not just doing memorization. At the start of the course, there will be an introduction to EMA so potential students will know what being an EMA volunteer is all about. This course will be open to anyone 18 years old and over.

If you know of anyone that might be interested please have them contact any of the below:

Joe, KJ9M, joe.march@hamiltoncounty.in.gov

Alex, AC9XK, alex.auvinen@hamiltoncounty.in.gov
