Become a Net Control Operator

One of the purposes of this net is to help others learn how to be a net control.

And, we REALLY Want and Need new Net Control Operators!

You don't have to feel self-conscious, because if you stumble, we'll be there to help!

If you are interested in learning how to run this net, please let us know. We need additional new net control operators. No experience is necessary, we will train you on this net.

We can also assist with callsign logging for your first few nets. Gaining radio experience by running a net will give you more confidence using the radio during an emergency, allow you to assist at the EOC during Storm Ops and will make you a better radio communicator.

Net Topic Responses Report

Hortonville Who Knows What Net - 6/11/2026 08:00 PM

What are your Summer Plans (Ham Radio or Otherwise)?

Only If Applicable to Topic Question - -

	Response Text	Response Yes/No	Response Number
K9DRU	For summer my plans got derailed due to my Wife's deployment. Also, I like the idea of experimenting with netlogger for this net and I will keep playing with amateur satellites as time permits this summer.	N/A	N/A
KD9BKU	Net logger would be interesting (fun to try something different). And live-streaming is nice too. I've already had my vacation with my son (and our radios), and my other summer plan is to learn FT-8. (I'd like to hear more about FT-8 as well.)	N/A	N/A
KD9C	We're in the process of wrapping up Piglets field day plans. And, after field day there will be several CW events that I plan to enjoy. I also have a family trip to Michigan and hope to sneek away and activate some new parks while I'm there. Also In August the NAQP CW contest is in my plans.	N/A	N/A
KD9MAK	I have nothing to add	N/A	N/A
KE9BNN	This summer I plan to continue working on CW (CW Academy fundamentals course) and I have a short trip planned to see my brother in Michigan	N/A	N/A
KE9EEE	No big summer plans other than my first time attending field day. No other big plans.	N/A	N/A
KE9EIG	A lot of volunteer stuff this summer and I might go back East to visit some folks.	N/A	N/A
KE9EJF	My son just graduated and now I want to work towards my General license. (And I'll be cutting a lot of grass as well).	N/A	N/A
N9QML	Just cutting grass and participating in some HF nets. Enjoying the live-streaming (back of your head). And, it puts a face with a call sign.	N/A	N/A
W0ALA	I don't have a lot of summer plans other than setting up more of my shooting range and playing with my radio at the range.	N/A	N/A
W9AHW	I can see you on-screen and it looks like we're running the same radio. I plan on attending field day as well and working with KE9EEE to get him on the GOTA station. And, I have some vehicle projects and some home wiring projects.	N/A	N/A
W9KD	My summer is full of ham radio related meetings. And, late summer I will go to Florida to see my daughter (who used to live in Amarillo).	N/A	N/A
WA4EZF	This summer I will go to field day. Other than that, I manage to keep quite busy and I also have a lot of appointments in my calendar.	N/A	N/A
WD9DAN	I just plan to mow grass and do some POTA hunting (with friends) from my back yard. We don't try to make a bunch of contacts, but we get to experiment with antennas and play with our radios, etc.	N/A	N/A
