HCEM Volunteers

HCEM Volunteers Only:

The following events are only open to Hamilton County Emergency Management volunteers. Please see the weekly volunteers newsletter to sign up for any of these events.

First Aid Training:

Stop the Bleed, First Aid, and CPR classes are all available in August. If you haven't taken these classes in the past two years, it's time for a refresher! Register today.

HCEM All-Volunteer Functional Field Exercise:

October 3, 9AM-2PM

Save the Date! This will be a live action field exercise to follow up on the tabletop exercise we did in June. The same scenario will be in play, but your role and interactions will be different. (Participation in the June exercise is not necessary to attend in October.)

Become a CERT Volunteer this fall!

The next course to become a volunteer with our Community Emergency Response Team is starting in September!

Participants will gain hands-on experience in a wide range of emergency skills, including fire safety, basic disaster medical care, disaster preparedness, team organization, traffic and crowd management, home utility shutoff, radio communications, triage, and more. Guided by CERT's motto, "Be the help until help arrives", our program equips individuals to support friends, family, neighbors, coworkers, and the broader community until first responders reach the scene and to assist during large incidents when emergency services may be overwhelmed.

Although the training focuses on disaster readiness and coordinated team response, the skills taught are valuable in everyday situations as well, from rolling up on a car accident to assisting during a medical emergency or other unexpected incidents.

Training will be held on eight consecutive Wednesdays from 7-9:30 PM, starting Sept. 16 and finishing on Nov. 4. Visit <https://www.hamiltoncounty.in.gov/1279> to register.

If you are interested in becoming a county emergency management volunteer, visit <https://www.hamiltoncounty.in.gov/909> for more details.
