HCEM Volunteers

HCEM Volunteers Only:

The following events are only open to Hamilton County Emergency Management volunteers. Please see the weekly volunteers newsletter to sign up for any of these events.

First Aid Training:

Stop the Bleed, First Aid, and CPR classes are all available in August. If you haven't taken these classes in the past two years, it's time for a refresher! Register today.

HCEM All-Volunteer Functional Field Exercise:

October 3, 9AM-2PM

Save the Date! This will be a live action field exercise to follow up on the tabletop exercise we did in June. The same scenario will be in play, but your role and interactions will be different. (Participation in the June exercise is not necessary to attend in October.)

Become a CERT Volunteer this fall!

The next course to become a volunteer with our Community Emergency Response Team is starting in September!

Participants will gain hands-on experience in a wide range of emergency skills, including fire safety, basic disaster medical care, disaster preparedness, team organization, traffic and crowd management, home utility shutoff, radio communications, triage, and more. Guided by CERT's motto, "Be the help until help arrives", our program equips individuals to support friends, family, neighbors, coworkers, and the broader community until first responders reach the scene and to assist during large incidents when emergency services may be overwhelmed.

Although the training focuses on disaster readiness and coordinated team response, the skills taught are valuable in everyday situations as well, from rolling up on a car accident to assisting during a medical emergency or other unexpected incidents.

Training will be held on eight consecutive Wednesdays from 7-9:30 PM, starting Sept. 16 and finishing on Nov. 4. Visit <https://www.hamiltoncounty.in.gov/1279> to register.

If you are interested in becoming a county emergency management volunteer, visit <https://www.hamiltoncounty.in.gov/909> for more details.

Net Items Discussed (or Included here from previous Nets)**Announcements****Event Volunteers Needed****Hancock County "Flat 50" Bike Ride:****Saturday, August 29th**

They are expecting over 1,000 cyclists this year on a newly redesigned course. Because of the new layout, they have an increased need for amateur radio operators to serve as safety marshals and spotters.

Volunteers will be the eyes and ears of the event. You'll be providing essential real-time communications, reporting any hazards, and linking our water stops, SAG vehicles, and public safety teams.

Whether you are a seasoned public service communicator or brand new and looking for some great experience, they would love to have you on the team. Please click on the sign-up link below, or pass the word along to anyone else who might be interested!
