Event Volunteers Needed

Hancock County "Flat 50" Bike Ride:

Saturday, August 29th

They are expecting over 1,000 cyclists this year on a newly redesigned course. Because of the new layout, they have an increased need for amateur radio operators to serve as safety marshals and spotters.

Volunteers will be the eyes and ears of the event. You'll be providing essential real-time communications, reporting any hazards, and linking our water stops, SAG vehicles, and public safety teams.

Whether you are a seasoned public service communicator or brand new and looking for some great experience, they would love to have you on the team. Please click on the sign-up link below, or pass the word along to anyone else who might be interested!
